AmeriGas Propane L.L.C. has signed a 10-year lease for 34,135 square feet at the Parkview office building in King of Prussia, building owner Keystone Property Group said in a release.

King of Prussia-based AmeriGas will move into the building at 1150 First Ave. in the coming months to expand its operations, Keystone said.

The Parkview building is attached to the Radisson Hotel Valley Forge and the Valley Forge Casino Resort.
