

This summer, North Italia is dropping more than just a new menu; we're remixing iconic anthems into handcrafted cocktails that bring the vibes of the season to life. Our Summer Sips collection transforms the rhythm of your favorite summer hits into drinks that taste as good as they sound. Each cocktail is a mood, a memory, and a moment waiting to be shared. Try these limited-edition, chart-topping cocktails during our Summer Sips Campaign from July 2 – September 1.
